DEDICATION of the new Illinois Bell Telephone headquarters at 531 Lake St. last week brought Antioch a step closer to dial service. The modern, one-story and basement structure will furnish dial service here when installation and testing equipment are completed later this year. Illinois Bell officials estimate automatic service will be in operation by Aug. 7. Shown at cornerstone sealing ceremonies March 7 are (left to right) Ray Telf, president, fire department; Edgar Shmonson, fire chief; Clarence Shultis, village clerk; Ernie Sydow, wire chief; Nancy Reichardt, chief operator; Harry Greenlee, installation foreman; Ed Jacobs (welding trowel), village attorney; Dan L. Hood, Illinois Bell Manager; and Mabel Dow, service manager. Others not shown were Everett Oftedal, Rescue Squad captain; Howard Shepard, business manager, Antioch News; and Jack Fields, Lions Club president.

At left, wire chief Sydow prepares to place Mar. 2, 1961 issue of The Antioch News in special container which was sealed in corner stone of the new building. Other mementos sealed for posterity was a tape recording of each guest's voice, a letter from Mayor Cunningham on the dial system, company reports, photographs and a current telephone directory.

GOP Leaders Move To Bolster Party Ties

Form 'Super' Group of 29 At Town Level

Top echelon Republican leaders on the local level have formed a first-line organization of committeemen who will guide GOP efforts in future political campaigns.

The new organization, comprising the area of Judicial District 1, is composed of 29 committeemen of the townships of Antioch, Lake Villa, Grant and Avon, and is organized to guide party efforts on the county, state and national level.

Chastened by state and national election results last November, these GOP leaders have organized to push efforts to keep Lake County in the Republican column and to throw their weight behind state and national candidates.

First act of the new organization was a public caucus last month in Lake Villa, from which decision was made to back John "Bud" Stanton, Grant Township, for justice of the peace, and Carl Schmidt, Avon Township, for constable. Selection of these two candidates was done through poll of those attending the caucus.

Heading up the new organization is Warren Bushnell, Lake Villa Township, chairman; Helen Burke, Antioch Township, Secretary; and Charles Larson, Antioch township, sergeant-at-arms.

Other GOP committeemen members of the organization, listed by precincts and townships, are:

Antioch - Russell Holtz (1), Francis L. Griffith (3), Henry Pape (5), Fred Zeason (8); Lake Villa - Arthur Bennett (1), John Killar (3), Elmer Wolff (4), Lewis Schwicht (5); Grant - Ed Kozlari (1), Thomas Cusker (2), Leonard Hink (3), John Stanton (4), Leo Steffen (5), Peter Afeld (6), Adam Skrzenta (7), Ray Dreyer (8); Avon - Leo DeMeyer (1), John Murphy (2), William Wood (3); Hans Hanson (4) Carl Schmidt (5), George Secor (6), George Jaques (7), Genevieve Hain (8), Charles Billings (9), Kenneth Herring (10).

The organization has scheduled a GOP dance to be held at 8 p.m. Saturday, March 25, at Lakewood Park in Round Lake. Arrangements are being handled by Billings, Hanson, Afeld, Wolff and Burke.

Lions Honor AHS Athletes Here Mar. 20

Ninety-seven athletes of Antioch Township High School will be guests of honor at the 21st annual banquet 7 p.m. Monday at the high school.

This traditional affair, sponsored by the Antioch Lions Club, is a measure of recognition to ATHS team members for their contributions to conference and student affairs.

Headlining the event will be Chuck Mather, backfield coach of the Chicago Bears Professional Football Team, who is expected to enliven proceedings with anecdotes concerning Papa Halas' team.

During and following the six-course roast beef dinner, the program will move along under Bernard N. Osmond, program chairman, and Clarence Olson, toastmaster.

Guests will be welcomed by John Fields, Lions Club president, and response will be made by Leslie Herbst, president of the "A" club. Sharing the platform with Chuck Mather will be Albert Dittman, high school principal.

Also on the program will be presentation of high school athletes by Ward Lear, athletic director, and coaches Robert Walther, Roger Andrews, Roy Nelson, Douglas Risberg, William Seemann, Lawrence Leon, Emery Chandler, Allen Knurr and Stuart Good. Presentation of the outstanding athlete trophy will be made by Fields.

Also on the program will be Joseph Rysh and his pep band; Allen Knurr, Pep Club sponsor; Nary Donovan and Gladys Brooks, advisors, and their cheerleaders.

Special guests will include: township supervisors L. E. Murrie, Antioch, Edward Tiede, Lake Villa, and David Van Patten, Newport; W. C. Petty, county superintendent of schools; school board members Robert Denman, Ruth Seyfarth, William Brook, Roger Prossie, Milburn Cain, Lester Osmond, Richard A. Ripley, and school treasurer Helen Nelson.

Murrill Cunningham and Ervin Barnstable, presidents of Antioch and Lake Villa, complete the guest list.

Joy! Property Bills Early

Antioch area residents can brace themselves for that bad news a bit earlier this year — Lake County's tax bills are expected to be in the mails about 45 days earlier than they were last year.

Supervisor Emmett Moroney, who is chairman of the Lake County Board of Review, said the board will complete its work by March 31, which is 1½ months earlier than last year.

The review board, which hears all tax assessment complaints, has listened to a total of 2,144 gripes this year — 1,940 on real estate tax assessments and the remainder on personal property tax assessments.

Moroney takes a rosy view of taxpayer acceptance of the personal property tax.

"Some day it will be popular to pay the personal property tax," he predicts. "We have gone through a period of trial and error, understanding and misunderstanding on assessment rolls . . . and now there is a feeling of understanding."

Red Cross First Aid Class Starts Monday

A six-week Red Cross first aid class is scheduled to begin at 8 p.m. Monday at Waukegan East Campus High School with Mrs. Roy Berry of Winthrop Harbor as instructor.

Minimum age is 16 years for both male and female.

After this session, there will be a class for those age 19 and up, male and female, to act as instructors in Lake County to fill a need for life saving teachers during the summer season in the lake region.

Legion, Auxiliary to Mark Anniversary

Members of Antioch American Legion Post 748 and the Legion Auxiliary will celebrate the 42nd birthday of the Legion with a birthday party at 8 p.m. today in the Legion Hall.

Post Commander David Kuiken, Lake Villa, and Mrs. William F. Chase, Auxiliary president, urged all Legionnaires and members of the ladies' unit to attend. The Post has a membership of 135 and the Auxiliary 111.

Open Easter Seal Drive Here

Easter Seal Parade Day has been officially proclaimed in Antioch Township for Sunday, March 19, by Supervisor Lloyd E. Murrie.

In issuing the proclamation Supervisor Murrie said, "The Lake County Easter Seal Society provides many vital services for the people of Lake County, not the least of which is the support and operation of the Lake County Center For Rehabilitation Center, 709 North Ave., Waukegan."

Supervisor Murrie officially opened the Easter Seal campaign for Antioch Township earlier this week when he purchased his Easter Seals from two-year-old Karl Shook, a tow-headed smiling patient at the Rehabilitation Center.

After hearing of the tremendous progress little Karl has made under the physical therapy treatment at the Rehabilitation Center Supervisor Murrie said, "If Karl were the only youngster in Lake County helped by the Lake County Easter Seal Society it would be worthy of our support, but there are scores of Karl Shooks and disabled adults as well who are being helped to live a full life by the Society's Center for Rehabilitation."

A battalion of 45 paraders under chairmanship of Mrs. Lorraine Huml, Bluff Dr., Antioch, will launch a two-hour door-to-door drive at 2 p.m. Sunday. They are: Msdmes. William Alm, John Angeloff, Henry Apostol, Frank Benes, Jr., John Bletsch, Fred Bloom, Marie Bushing, Elmer Christophersen, Walter Delany, Gordon Donovan, John Fries, Janis Hagstrom, Robert Hart, Norman Heimbrodt, Harold Heinz, Edward Hevdjas, Norman Jedele, Helen Kopriya, Henry Kubicki, Charles Larson.

Also Msdmes. Robert Lasco, C. R. Laursen, James Leksich, Maurice Lovens, John Magnuson, Charles Maplethorpe, Peter Matteoni, Jr., Harry Miller, Walter Mozal, Charles Ness, Glenn Nettles, Roy Nelson, Dave Nissen, Clarence Olson, Rudolph Palenik, Clarence Pyles, Fred Rausch, Jerry Rockow, Elmer Rudolph, Ed Strang, E. J. Thiele, William Lucas and Patricia Mallory.

Watercolor by Local Artist Wins Ribbon

Artist Ellen McDowell's watercolor copped a blue ribbon at the Town & County Art Show last Thursday in Grayslake.

The local artist's entry was of a Grass Lake cottage, painted in delicate and misty technique, and rated one of the 20 blue ribbons granted in the high school and adult classifications.

Judging of the 245 paintings and 21 craft pieces was done by Ted Edri, art lecturer at the University of Illinois, who presented a critique during the showing.

Mrs. McDowell is a member of the Antioch Art Guild.

Science Open House Features 150 Exhibits

LAKE VILLA — More than 150 exhibits will be on display at the second annual Science Open House at the Lake Villa Community Consolidated School, 7-8:30 p.m. Saturday.

Projects assembled by students of the seventh and eighth grades, will include studies in fields of astronomy, electronics, chemistry, geology and physics.

Entertainment will be by members of the 7th and 8th grade band under direction of Thala Rush. Refreshments will be served.

High School Cards Concert By DePauw University Band

The DePauw University concert band will present an evening of fine band music March 27 at 8:15 p.m. at the Antioch High School Auditorium.

The DePauw University Concert Band, under the direction of Dan Hanna, associate professor of music education, will be making its first tour into northern Illinois. The University band is planning to provide a well rounded program of good band music.

The university students will spend the night in Antioch, staying with the parents of the high school band and choir.

Before the concert the Antioch High School Music Association, along with the parents who are putting the University students up for the night, will serve a carry-in supper to the students.

The Antioch High School Music Association is sponsoring the DePauw Band to raise money for the high school band and choir summer music camp, planned for Aug. 13 through 18.

Tickets are available from all high school band and choir students. They will also be available at the door.

THIS BRASS SOLO group will be featured when the DePauw University band presents a spring concert March 27 at Antioch High School auditorium. Seated is Janet Stevanton; standing left to right are Thomas Taylor, William Austin and Bob McCleester.

CAGE TOURNEY

The world's series of Illinois basketball - the state high school championships — will be carried on Channel 7 (WBKB) this Saturday.

Sponsored by Illinois Bell Telephone Co. for the 10th consecutive year, the semi-finals will begin at 1 p.m. and the third place and championship games begin at 7:30 p.m.

Sportscasters for the tournament will be Jack Drees, who has called all previous tournament telecasts; Tom Kelly, Peoria sportscaster; and Chick Hearn, NBC announcer in Hollywood.

The games will be televised live from Huff Gymnasium in Champaign-Urbana.

The screaming crowd provides almost as much interest as the players as they cheer the teams to victory.

A Pioneering Educational Effort

What Are We Doing for Our Exceptional Youth?

BY HARVEY L. PATTON
(Third of a Series)

Last week, The Antioch News introduced its readers to the hard-of-hearing program of the Special Education District of Lake County, a pioneering public education project aimed at assisting exceptional children to in part overcome their handicaps and join the full world of their friends.

Where but a few years ago these handicapped children would have been literally cast aside to exist in an aimless world of their own, programs such as the one established here today are reclaiming many of these unfortunate youngsters and bringing them along the paths of useful citizenship.

In this article, The News takes its readers backstage into the lives of the Trainable Mentally Handicapped.

In the days before Christ they were put to death.

With the spread of Christianity, their treatment was more harsh. They were locked up and forgotten except at feeding time.

In these civilized times they are committed to institutions, or allowed to remain at home, never existing in a normal sense and never advancing beyond the gray world of the mentally retarded.

However, special education programs such as that organized within the Special Education District of Lake County are reclaiming certain of these mentally retarded youngsters and advancing them to a stage where they may someday become almost self-sufficient.

The time and effort spent on their training is great, but the reclamation of one youngster into an individual who is able to learn self-care, follow directions, master basic academic training, and in some cases contribute in some degree to a livelihood in later years, is a full measure of return to the dedicated instructors who are part of this

special educational program.

In its simplest terms it's weighing the practice of allowing a mentally retarded youngster to continue his existence in limbo, often unable to attend his own personal needs, against a trained individual who has mastered the rudiments of safety, can move from one place to another and, in some cases, can accomplish such basic tasks (under supervision) as gardening and cleaning.

Classified as Trainable Mentally Retarded, these youngsters can never advance beyond basic self care, acquire a degree of socialization, master the ability to follow directions, practice health habits and gain a very basic academic training with the following top expectations: reading for protection, during which students acquire a 5 to 20-word reading vocabulary consisting of such words as "fire", "danger", etc., and learning numbering concepts ranging up to 5 or 10, depending upon ability.

These are the youngsters who will advance physically, somewhat be- (continued on page 5)

SIDELIGHTS from SPRINGFIELD

By Rep. PAUL SIMON

Let's call him Tom Jones. He's 52 years old, has a wife and three teen-age children and until a few weeks ago was working on the highways for the State of Illinois.

Now he's unemployed, his wife is in the hospital and he cannot even qualify for unemployment compensation, since he worked for the State. And a man 52 has an extremely difficult time getting a job.

He was fired because he was a Republican. Everyone admitted he was doing a good job. Thousands of people in Illinois are going through this these days.

Both parties in Illinois accept the spoils system. Didn't Tom Jones know he would lose his job when the Democrats came in? Wasn't that taken for granted?

Yes, he knew it. But I don't believe there is a Democrat or a Republican in this state so heartless he can rejoice to see this man out of work and his family suffering.

Illinois has approximately 15,000 patronage jobs out of a total of 60,000 state employees. We are one of the worst (or best, depending on your viewpoint) of the states in the nation in this respect.

The success or failure of the legislative proposals to deal with the spread of criminal activities in Illinois depends in large measure on the concern of the public and of the public press.

There are some hopeful signs. More and more, there is a trend toward civil service employment - weak as I agree that system is in Illinois.

Let's say as the chief highway engineer. Both are eminently qualified and highly respected. Another hopeful sign is to hear political leaders say privately: "Every political job means there is one ingrate and ten enemies."

Because of the help and co-operation we received from everyone, we were able to pay more than half the price of a new whirlpool. The whirlpool, which has already been delivered to the school, cost \$631.

The athletic department has wanted to purchase a whirlpool for quite some time. The "A" Club is very grateful that it was able to donate one to the school.

Newly-Weds at Home in Lake Villa Following Candle-Light Ceremony

Miss Bonnie Lee Walker and Mr. James W. Murrle were united in marriage by the Rev. L. H. Messersmith, in a double ring ceremony Feb. 18 at the Millburn Congregational Church.

Miss Walker is the daughter of Mr. and Mrs. Marvin Walker of Lake Villa; Mr. and Mrs. George Murrle are the parents of the groom.

The bride's gown was fashioned with an alencon lace bodice, with long sleeves, and scalloped neckline over embroidered taffeta, with a full taffeta floor length skirt. Her fingertip veil was caught to a crown of pearls and she carried a colonial bouquet of carnations, with a pink rose in the center.

Miss Karen Lonson, maid of honor, wore a floor length gown of ice blue satin and chiffon, and her colonial bouquet was of pink and

blue carnations.

Miss Lynette Murrle, sister of the groom, served as bridesmaid. She wore a pastel pink floor length gown of satin and chiffon and also carried a colonial bouquet of pink and blue.

Serving as best man to the groom was Mr. Halden Myers. Marv Walker, brother of the bride, was the usher.

Candle lighters for the ceremony were Allen Murrle and Bobby De-Young.

Frank De Young, soloist, sang "I Love You Truly" and "The Lord's Prayer."

A reception for 150 guests was held in Millburn Masonic Hall with the Millburn Ladies Aid serving as hostesses, assisted by Sandy and Mary Bartlett and Hazel Brittan.

The couple's new address is Rt. 2, Box 633, Lake Villa.

Faye Mann and Donald Englishman Wed in Late-Afternoon Ceremony

The Antioch Methodist Church was the setting for the late afternoon wedding on March 4 of Miss Faye Mann and Mr. Donald Englishman, with the Rev. Wallace Anderson performing the single ring ceremony.

Mr. and Mrs. Robert Mann, Highway 173, are parents of the bride; the groom's parents are Mr. and Mrs. Ellsworth Englishman of Lexington Drive, Hazelcrest.

The bride, who was given in marriage by her father, chose for her wedding a gown of floor length silk organza, fashioned with a pearl trimmed bodice, a scoop neckline, long sleeves and full skirt, ending in a chapel train. She carried white carnations with white rosebuds.

Serving as maid of honor was Miss Barbara Yates, who was costumed in a deep violet, silk organza, ballerina length gown, with match-

ing crown and veil. She carried white carnations with center rosebuds tinted to match her attire.

Kenneth Hallberg was the groom's best man, and ushers were Forrest Stahmer and Robert Lindholm.

A reception was held in Wesley Hall of the church after the ceremony. Mrs. Robert Wilton and Mrs. W. C. Petty poured and Mrs. Charles Watson cut the cake.

The couple toured the southern states on their honeymoon trip, and are now at home at 13946 S. Wabash, Riverdale.

History of Lighting to Be Outlined By Guest Speaker, AWC March 20

The history of lighting through the centuries will be traced in a highly-illustrated talk before members of the Antioch Woman's Club Monday, March 20 at 1:30 p.m.

Guest speaker will be Mrs. Frances Rittenhouse of Hinsdale, Ill., who will illustrate her discussion of lighting with an open lamp dating from 1200 B.C., found in Palestine; a Roman lamp used in the time of Christ; a "Paul Revere" lantern; brass, bronze and iron lighting devices used in the 16th and 17th centuries, and other rare antique lamps.

Mrs. Rittenhouse will be attired in a reproduction of an elaborate costume of 1861 to lend atmosphere to her discussion, "One If By Land".

The speaker is a graduate of the University of Illinois, and studied antiques and interior decorating at the Chicago Academy of Fine Arts and the Art Institute.

Hostess committee for the day will consist of Mesdames S. W. Bailey, Charles Solar, Walker Lyons, Lester Osmond, Arthur Laursen, C. Gibbons, A. H. Kaufmann, Roy Turo-

THESE ARE THE TRAINABLE MENTALLY handicapped - children, who prior to formation of special classes such as these conducted under the Special Education District of Lake County, would have received no formal education, destined always to remain in the gray world of the mentally retarded. Here, however, under guidance of special instructor Dik Heckman in a special classroom at Adler Park School, Libertyville, these youngsters are brought along to their optimum potential. Many continue on to become self-sufficient and acquire a measure of responsibility.

Our Exceptional Children

(continued from page 1)
hind their normal friends, but who will never progress mentally beyond lower elementary grades. This group includes among others, those which the layman knows as "Mongoloids".

Task with these youngsters is to develop their optimum potential.

Let's look in on the TMH Room at Adler Park School, in Libertyville.

Four girls and six boys, ranging in age from 6 to 10 years, are currently enrolled in the TMH class. Ten children is the maximum number of students for this type in one class under state ruling, and there can be no more than a four-year age span.

The 10 youngsters in Adler Park come from eight different school districts within the Special Education District of Lake County. Libertyville, with the host school, has one child in the class.

Parents bring their children so that they arrive by 9:30 a.m., and the day begins with roll call and such simple greetings "Today is Tuesday", etc.

Remember, these children have pre-school mentalities and are hard-pressed to dress themselves.

At 9:45 a.m., children have a free-play period during which they are given various things to do . . . playing with blocks and toys. A self-care period follows at 10:30, during which students go to the wash room and prepare to go outside. Taking care of themselves and dressing to go outside actually takes more time than is spent out of doors. But it is considered an important period of the day because it allows the children to learn self care.

At 11 o'clock comes speech instruction. A major portion of the child's training consists of speaking, as many can do well to make themselves understood during initial stages of instruction.

At 11:45 a.m. the children prepare for lunch, and this is one of the most enjoyable and responsive periods of their instruction.

Under an instructor, the children prepare for lunch by washing, setting the table, and, where possible, assembling the food for cooking. Preparation of lunch in the classroom is an important part of their instruction and carries a number of important teaching features including:

- 1 - Health - personal care, cleanliness —
- 2 - Care of dishes and cooking utensils —
- 3 - Setting table - organization, number concept —
- 4 - Following directions —
- 5 - How to use eating utensils —
- 6 - How to clean up, washing dishes, and similar chores.

A number of children enter the program with eating problems. Some want to eat by themselves, doubtless because of habits acquired at home where perhaps they have not eaten with their families. Others have been fed by their parents because it was simpler to feed the child as one would a baby than to patiently stand by and guide the child. Some have developed definite eating habits because some foods struck their fancy or were easier to handle than others.

One youngster would eat but one or two foods when he first joined the others in the important hot lunch program.

But discipline, of necessity is firm. The instructor says, "This is what we are having . . . eat it or don't."

After several days of watching his chowhound peers stoke up this youngster came around, and now, as the saying goes, "Will eat anything that doesn't eat him first."

After lunch, it's the washroom again, and at 12:45 the youngsters work on number concepts. From 1 to 1:30 they work in the all-purpose room for a bit of sports both under direction and free activity. Here they bounce and catch, play basketball and otherwise attempt to play athletic games.

At 1:30 it's back outside after training in dressing themselves. They look at nature, discuss the weather, are guided in street crossing procedures, cautioned not to pull leaves off trees, and similar activity. If a pond or stream is nearby they are taken there to learn about possible dangers.

Music appreciation comes at 2 p. m. where the youngsters become acquainted with music through records and song.

At 2:15 they visit the washroom and prepare for the end of the school day by being booted, zippered, etc., so they are ready when their mothers come at 2:30, the end of their school day.

The children, as far as possible prepare themselves for going home. Guiding the youngsters at Adler Park School is Dik Heckman, a World War II veteran who also saw duty in the post-war period. In his mid-30's, Dik holds a master's degree and has studied at the University of Toledo, the University of Denver and Illinois State Normal University.

On completion of college, he served as a high school teacher in English. While an instructor in English in Waukegan, Dik became interested in retarded children through the efforts of the guidance director of Waukegan high school who was then director for the Lake County Society for the Mentally Retarded. His interest reached the point where he decided to make his career in the field of instructing retarded children.

He resigned his position as a teacher and reentered Illinois Normal U. to study the area of the retarded to meet state approval in this special field of the trainable mentally retarded.

On completion of his special training at INU, Dik taught for the Lake County Society for two years. On organization of the Special Education District of Lake County, he took over the training of the mentally retarded, thus relieving the Society of this responsibility.

A trim six footer, Dik knows his children and he knows their potential and limitations. Training for his charges must be gentle, yet firm. The children have short memories. They may, as would a baby, reach out and touch something and be burned. Several minutes later, they may reach out again to the same object, to be burned again.

Thus, it is repetition and habit that mold them. And there can be no leeway. Directions are given, and once understood, must be obeyed. Dik has a small paddle handy to whap small behinds when his charges indulge in too much horseplay when a bit of learning is demanded.

And like other youngsters, these children have their tears and their ups and downs. But by and large they are a happy bunch. Age doesn't mean much to these youngsters. The 10-year-old is as happy in her way, discovering the thrill of zipping her own boots, as your youngster is in doing her first multiplication. And though she'll never be able to do the things your youngster can do, with good fortune and much patience, she'll end up a partially-sufficient and willing member of society.

LAKE VILLA — The stork brought an abrupt end to Sunday School at the Community Methodist Church here for Mrs. Robert Smith.

Although the class wasn't yet over, Mrs. Smith told her husband Sunday — "It's time to go."

Less than 20 minutes later her baby, a boy, was born in their auto on Washington St. near St. Therese Hospital. Hospital personnel helped Smith get his wife and baby into the hospital, where both were reported doing fine.

The Smiths have two other children.

During March, which is traditionally Red Cross month, each Lake County chapter contributes \$1 or more to the Red Cross fund campaign becomes a member with voting privileges in the affairs of the local chapter. Each year the chapter's volunteer board of directors determines the amount of money needed to carry on Red Cross programs in Lake County. Annual elections are held for board members and chapter officials.

NATIONAL HONOR SOCIETY members of Antioch Township High School pose for photo following recent election of 21 new members to the group. In front row (left to right) are James Cain, Emily Reichenbach, Sharon Langbein, Joseph Effen, Connie Van Noy, Joseph Enis, Jean Van Haecke, Margo Ott, David Bonner. Middle row - Patti Plautz, Jill Anderson, Pamela Drucker, Diane Jaros, Dee Stillson, Karen Lightsey, Jan Duha, Gail Tuteln, Carole Gundelach, Albert Dittman. Last row - Deryl Denman, Brian Elliott, Stephen Chandler, William Bonner, Leslie Herbst, Lance Keisler, Daniel Conrad, Bernard Anderson, James Frosise, Edward Martin.

Cook-Size Apple Pies

Teach and eat! There's double fun in making apple pies just like Mother's with one recipe shared between two little future cooks! Mother's easy recipe is divided in half to make one 5-inch pie and two 3-inch pies, just daughter's size. Simplified crust uses pastry mix; the appropriate apple variety for flavor-retention is the tart and tangy Washington Winesap. Just as Mother does, little girls sprinkle Winesap apples with coconut, grated orange and lemon rind for tropical touch to pie.

Winesap Apple Pie
2 sticks prepared pastry mix
6 medium Washington Winesap apples
1/2 cup brown sugar
1/2 cup white sugar
1/2 tsp. nutmeg
Grated rind and juice of 1 orange
Grated rind and juice of 1 lemon
3 tbsps. fine-grated coconut
3 tbsps. butter

Prepare pastry according to directions on the package. Line 9-inch pie pan. Wash, peel, core and thinly slice apples. Toss apple slices with the sugars, nutmeg and juices of lemon and orange. Turn into lined pie pan. Sprinkle with orange and lemon rind, coconut, dot with butter. Top with pastry. Bake in 400°F. oven 15 minutes. Lower heat to 350°F., bake an additional 30 minutes. Will make one 9-inch pie OR one 5-inch pie and two 3-inch pies.

62 Seek Berths on Antioch Baseball Squads

Open Season April 7 at Lake Forest

A total of 62 aspirants answered Coach Larry Leon's call for baseball last Friday at the high school, giving local fans of "America's leading sport" an optimistic outlook on Sequoit diamond hopes this spring.

With the season's opener against Lake Forest less than a month away, Coach Leon has his work cut out for him. But there's optimism during early evening workouts which officially got underway yesterday.

With only four lettermen returning, Coach Leon's first task will be to shake loose a starting line-up. And although it's too early to predict starters at this time, it's possible that several sophomores may be pulled up to varsity level if needed to bolster strength a starting line-up.

Four lettermen, including two regulars, answered the call last Friday. George Hogan, pitcher and third baseman, and Joe Pleviak, infielder, both juniors, were regulars last year and are expected to serve as a nucleus for the 1961 squad. Dudley Sheehan, catcher and third base, and Jack Thompson, catcher, lettered last year, and will be shooting for first string this season.

Here are the candidates for the 1961 varsity baseball squad:

Seniors

Chuck Maxwell, outfield; Terry Blank, catcher; Don Horsch, outfield; Dudley Sheehan, catcher, 3d; John Hedburg, pitcher, 1F; Gayle Augsburg, outfield; Jim Sanhamel, outfield; Mike Grealis, outfield; Richard Porter, pitcher, OF; John Loeper, third; Jack Thompson, catcher.

Juniors

George Hogan, pitcher, 3rd; Joe Pleviak, infield; Ron Gable, outfield; Joe Wolf, pitcher, OF; Mike Horn, outfield; Phil Fabry, outfield; Joe Enis, infield; Toby Henry, outfield; Bill Ozga, pitcher, 1F; Deryl Denman, pitcher, OF.

Varsity managers — Bill Bonner, assisted by Bruce Wollpert.

Candidates for Coach Bill Seemann's frosh-soph squad are:

Sophomores

Don Blackman, ss & 2d; Doug Lang, 1b; Denny Apostolou, pitcher, OF; Bob Grant, 1f; Mike Roepenack, 2b & ss; Dean Horton, infield; Les Geist, outfield; Jim Brownlee, catcher, 1F; Dave Cardiff, 3b & ss; Ken Shewan, outfield; Roger Dewar, 3b; Jim Wetterberg, outfield; George Wilson, pitcher, OF; Rick Prossie, outfield; Mike Solar, outfield; Geo. Hanson, pitcher; Paul Erickson, pitcher; Jim Valek, outfield; Rich Good, pitcher.

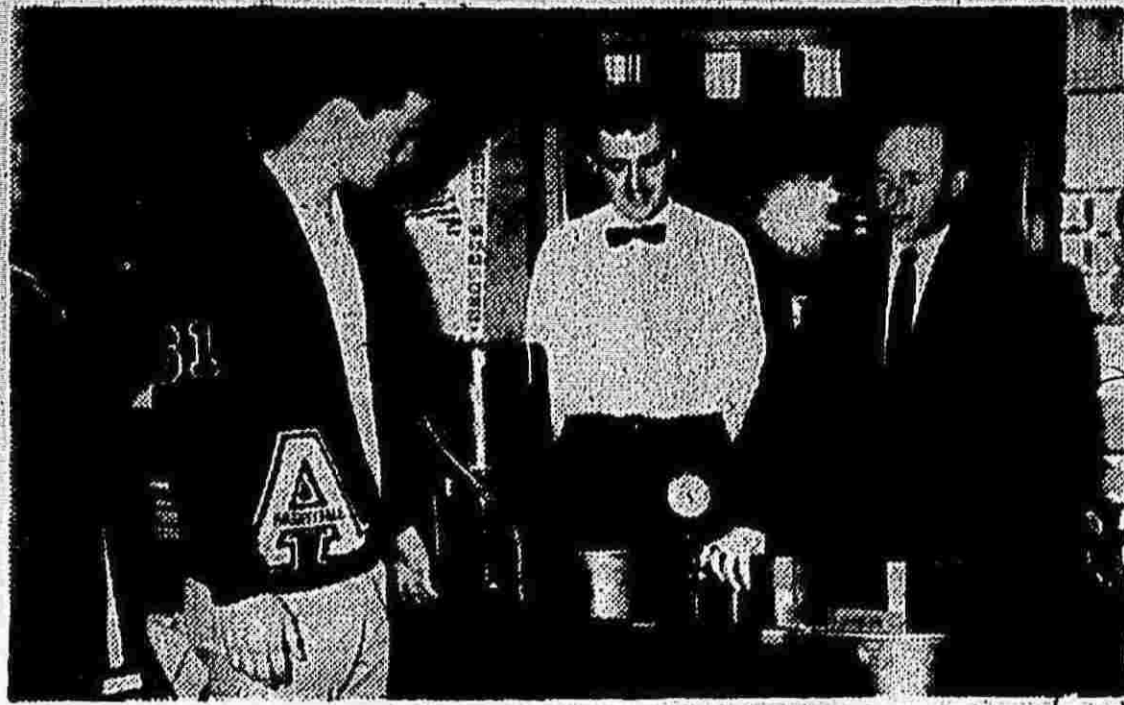

Freshmen

Bradley Brenna, ss, 2b & OF; Richard Miller, 1f; Glenn Young, 2b & 3b; Jerry Kaminski, cf; Dave Schweigert, outfield; Jim Lindley, 1f; Joe Anzinger, pitcher; Jim Wolcynski, 1f; Patric Beatie, 3b; Dan Hamelberg, outfield; Ed Matejka, 1b; Roger Eberman, 1f; Bob Oilschlager, pitcher; Ernest Westlund, 1b; Doug Feller, ss & OF; Jerry Berke, catcher & 3b; Jim Barnstable, catcher, out.; Dean Denman, catcher; John Horton, OF & 1F; Ken Larson, 2b; Ken Stankus, 1f; Noel Birr, outfield.

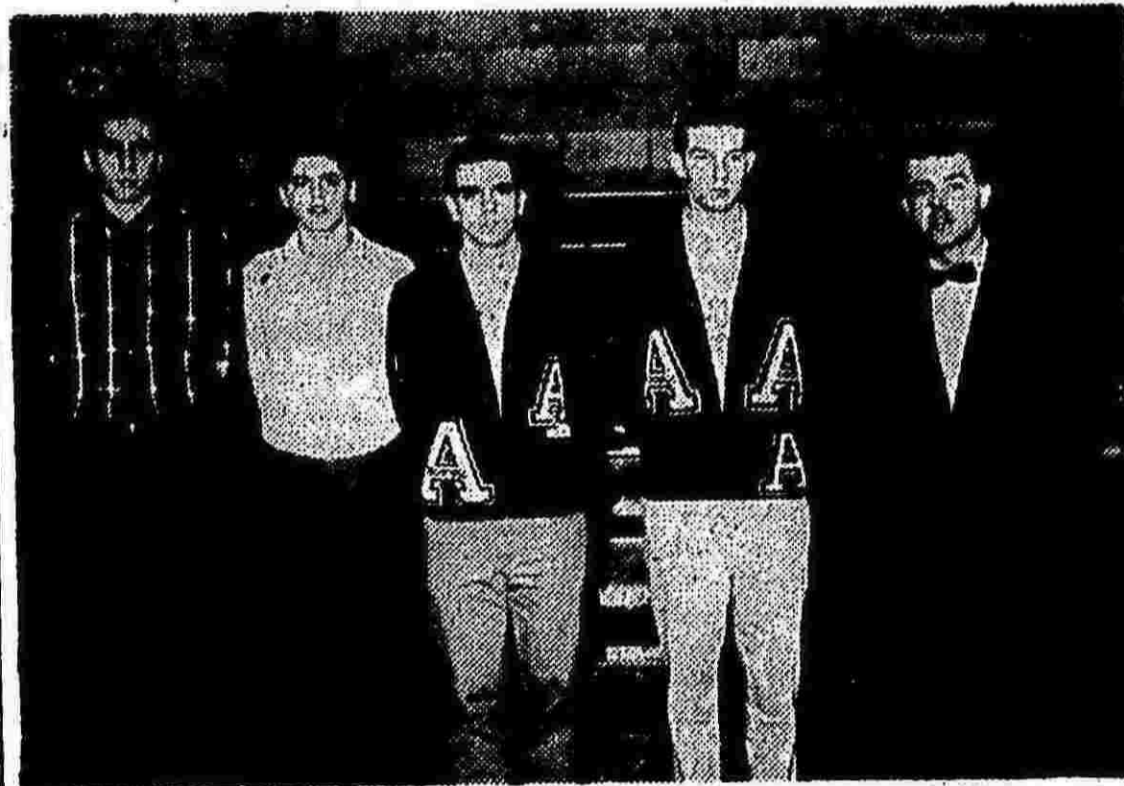

Managers — John Bonner and Wayne Ream.

The Sequoits went through last season with a 6-8 won-lost record.

CHAMPAIGN — University of Illinois facilities will be taxed to the limit Friday and Saturday, March 17-18, when the annual State High School Basketball Tournament is held in George Huff Gymnasium. Through years of experience in handling the throngs which descend upon the Twin Cities, University personnel is well prepared for the on-slaught.

Housing offices are ready to assist visitors. Temporary facilities are available to high school boys and girls. Accommodations for adults are available in private homes and arrangements can be made at the University Housing Office in Illini Hall. Advance reservations are not accepted.

A complete schedule of events has been arranged to occupy the free time of teenagers when they are not attending tournament games. Center of activities is the Armory, just across the street from Huff Gym. Dances are scheduled in the Illini Union Building.

The Illinois High School Association, which conducts the tournament series, has urged students and fans not to come to Champaign-Urbana unless they have tickets for the tournament. There is no public sale of tickets. Each high school in the state has the privilege of buying four season books. Remaining distribution is handled through the schools involved in each tournament session.

Those who are not able to see the games in Champaign-Urbana may join a television audience of 2 1/2 millions in watching the semi-finals and finals on a 12-station television network. Also, Friday's games will be televised by WCIA, Champaign, and WMBD, Peoria.

Local arrangements for the tournament are handled by the University Athletic Association, which cooperates with the I.H.S.A. in providing this service to the citizens of the state.

Antioch residents were a gabby lot during last week's winter storm. Illinois Bell Telephone operators handled a total of 24,252 calls March 8, for an average of almost 8 calls per telephone. This compares with an average of between 14,000-15,000 calls on a normal Wednesday.

COMMUNITY DANCE
The Channel Lake Community Club will sponsor a public dance April 9 at the American Legion Hall, Ida St., Antioch. Music will be by the Rhythm Kings.

Keno Softball League to Hold First Meeting

The Lake Keno softball league will prepare for the 1961 season with an organizational meeting of sponsors, prospective sponsors and managers Sunday afternoon in Trevor.

The meeting will get underway at 1 p.m. at the Golf View Motel, it was announced.

The season will open the second week in May, with games played on the motel baseball field in Trevor. Officiating will be William Grinnell, noted Fox Lake sportsman, who will be umpire-in-chief.

Teams tentatively entering the Lake Keno league include Joes Tap, Lake Villa; Pat's Lounge, Long Lake; Boosters, and Jim's Sinclair Service, Antioch; Stervenz Loon Lake Garage; Fox Lake Hills Sportsman's Club; and Golf View Motel.

Managers or sponsors seeking to enter the league are urged to attend Sunday's meeting. Further information may be obtained by contacting the Golf View Motel, Trevor, Wis., or call Underhill 2-3651 (Felix).

It's Third Time Around For These 2 Opponents

LAKE VILLA — Incumbent village president Ervin Barnstable faces a familiar opponent on the ballot in the April election here.

Running against him will be Walter W. Schneider Sr., and it will mark the third time that the two have squared off in a contest for the village presidency. Both men have served two terms, and Barnstable has served the last two terms.

The ballot took final shape with the passage of the deadline for withdrawal of candidates.

Barnstable heads the Peoples ticket, with running mates Russell Wilson, Paul Williamson and Melvin Harms for trustees; Robert A. Vander Pyl for police magistrate and Neil Redel for clerk.

Schneider is running alone on the Citizens Party ticket.

Running as Independent Party candidates are Anthony Sciacero for president and Wallace Luterbach for police magistrate.

Mr. and Mrs. P. J. Kohl of Beach Grove Rd., south of Antioch, celebrated their 61st wedding anniversary yesterday.

Sequoit Nine Announces 14 Game Schedule

With snow still in the air, candidates for Antioch Township High School's varsity and frosh-soph baseball squads are sharing time and space with Sequoit trackmen in an effort to get in shape for the April 7 opener against Lake Forest.

Against a background of nets that make the gym look like something out of Tarzan, 62 diamond aspirants are going through their paces nightly, awaiting only the whim of the weatherman until they can adjourn outside and start throwing and slapping the ball around in earnest.

The Sequoits play a 14-game schedule during the 1961 baseball season, extending April 7 through May 23. Here's the way it shapes up:

- Fri., April 7 - Lake Forest (there)
- Tue., April 11 - Ela-Vernon (here)

Scouts Second In Land O' Lakes With 11-4 Mark

The Antioch Scouts have closed the book on a sparkling season in the Land O'Lakes semi-pro league, which wound up with the local squad in the second place notch.

The Scouts had a season record of 11 wins and 4 losses, coming in behind Grayslake, which posted a 13-2 record.

The Scouts rolled up a total of 1,230 points during the season, compared to their opponents' 1,087. In addition, the Scouts' scoring ace, Art Pregenzer, ranked fourth in individual scoring, sinking a total of 110 buckets and 54 free throws for a total of 274 points.

Antioch smashed two records in the final game of the season. They broke the old league record of 108 points with a 112-74 victory over

Coach Collier Hard To Replace at Grant

Grant High School is finding it no easy task to replace head basketball coach Ray Collier, who resigned late last month to devote full time to his duties as dean of boys.

According to Wade Eberly, school principal, "Anyone is eligible to apply for the post." He reported that the school has received a number of applications including what he considers to be two or three "good ones." "Mr. Collier will be a hard man to replace, but I am hoping that we will be able to get someone with some kind of record," he added. Grant is accustomed to a good brand of basketball and will use care in selecting a successor, he pointed out.

Round Lake. By connecting with a total of 46 field goals, they also broke the old record of 44.

Following second-place Antioch in the league standings were Wauconda (9-6), Richmond (8-7), Round Lake (2-13) and Fox Lake (1-14).

Educators Endorse Safety Honor Roll As School Project

At a meeting held recently in the office of W. C. Petty of Antioch, Lake County Superintendent of schools, Roger K. Johnson, Lake County Safety Commission education chairman, E. G. Landen, executive director of the Safety Commission, and Howard M. Leinbaugh, education coordinator for the Division of Traffic Safety, State of Illinois, the National School Safety Honor Roll as presented by the National Safety Council was discussed and endorsed as an educational project for elementary and secondary schools in Lake County.

The National School Safety Honor Roll is the National Safety Council's way of recognizing schools for their achievement in safety activities. Participation in this program (1) offers an opportunity for school people to receive a critical evaluation on their present school safety program; (2) offers a method of increasing the effectiveness and extent of that program; (3) gives national recognition for a job well done.

Although enrollment in the program is endorsed by the Lake County Superintendent of Schools, the Lake County Safety Commission and the Illinois Division of Traffic Safety, it is the prerogative of the individual school to accept or reject such a program, according to E. G. Landen, executive director of the Safety Commission.

Schools throughout the county are invited to request literature regarding this program from the Lake County Safety Commission, P. O. Box 485, Libertyville.

Holy Name to Observe St. Patrick's Day

The annual St. Patrick's Day Party sponsored by the Holy Name Society of St. Peter's Church, Antioch, will be held Friday, March 17, at the "Four Aces", Channel Lake, at 8:30 p.m.

The committee in charge is Thomas Gibbons, chairman; Lois Schaefer, Leroy Frank, Robert Reland, Charles Gelst, Charles Forester, George Palaske, Daniel Dugenski, Henry Apostol, Louis Smoc and the Rev. L. F. Hanley, assistant pastor.

Mock Attacks To Test CD Capabilities

Antioch will join communities throughout the state and nation in mobilization for a make-believe war April 28-29, according to plans now underway by Civil Defense officials.

Key officials of government, industry and security forces will participate in Operation Alert, code name for the exercise, according to Maj. Gen. J. L. Homer, State Civil Defense Director. Local CD operations will be under John L. Horan, CD director in Antioch.

The two-day exercise, the eighth annual alert, is directed by the president, and is designed to test the effectiveness of emergency disaster plans, personnel and equipment at all levels under conditions of (feigned) nuclear attack.

Highlights during the two-day alert will be: a half-hour Conelrad emergency broadcasting test the afternoon of April 28; posed "aggressors" who may "invade" local areas to dramatically probe strengths and weaknesses of local security against sabotage; simulated attack problems; and drops of simulated plane-carried bombs, missiles or a combination of both.

Adult Scouters Honor Volunteer Leaders March 25

Some 800 adult Scouters and their guests of the North Shore Area Council will honor those volunteer leaders who have contributed the most to Scouting at the Council's annual Appreciation Dinner March 25 in the Highland Park High School.

The Silver Beaver award, highest honor the Council can bestow, will be presented to four men whose contributions to the Scouting program in the North Shore Area Council have been outstanding over the years.

A. M. Roufa, of Highland Park, Council Activities Committee Chairman, said winners of the Silver Beaver award would be announced at the time the awards are made.

Principal address will be given by Dr. Harry G. McGavran of Quincy, Ill., vice chairman of Region 7 Executive Committee of the Boy Scouts of America. The region embraces Illinois, Indiana, Wisconsin and Michigan.

Lawrence Gougler of Winnetka, Council President, will also speak. Presentation of training awards will be made by Charles Page of Highland Park and veteran recognition awards will be presented by Milton Gray of Highland Park.

Opening ceremony will be conducted by George Gau of Libertyville and Paul Hakanen of Glenview will give the welcome and introduce the speakers.

Roufa noted that the Appreciation Dinner program is open to all Scouters in the North Shore Area Council and their wives or husbands and guests. The Council includes approximately the western half of Lake County, shore line communities in the county south of Lake Bluff, and communities in the northeastern corner of Cook County.

Grant High Lists Summer Subjects

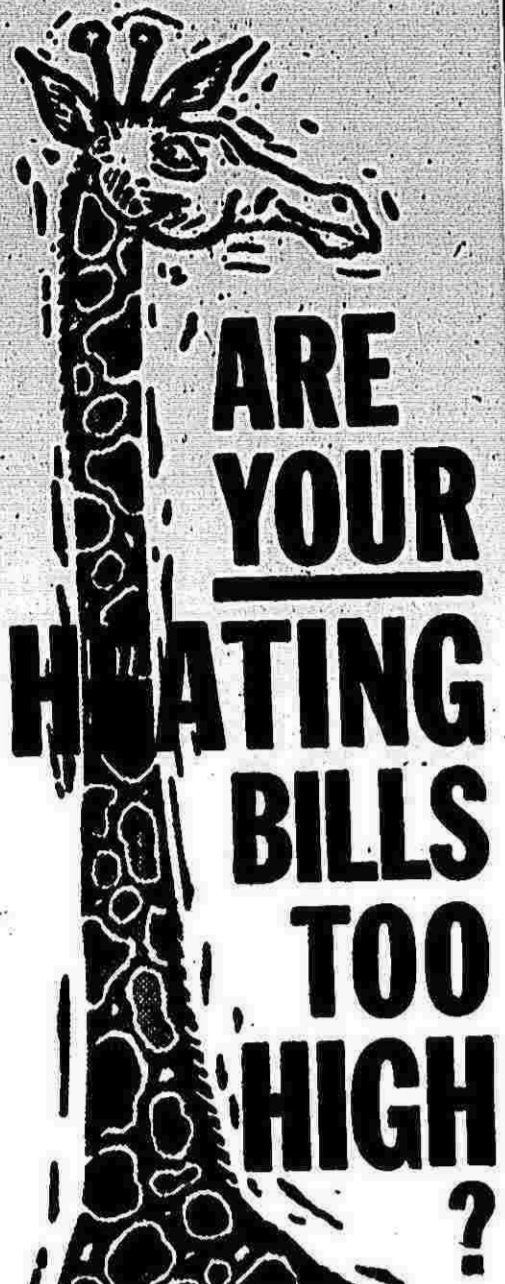

Grant High School Assistant Superintendent, David F. Schmid, has announced the courses to be offered in summer school beginning June 14 and ending July 26. The list includes English I, II and III, World History, U. S. History, General Science, Biology, Personal Typ-

ing, Algebra I, General Mathematics, Latin I (second semester) and Spanish I (second semester).

The second semester Latin I and Spanish I courses are offered as an

attempt to help the student who is weak in the fundamentals of the language or who was unable to keep pace with his class and failed the second semester.

Any of the courses may be taken for credit or as audit courses. Interested persons may contact the general office at the high school for the regular summer school brochure.

Every citizen or resident of the United States, including minor children, who had a gross income of \$900 or more in 1960, must file a Federal income tax return, Harold R. All, Director of Internal Revenue for the Chicago District, reminded today.

The W-2 withholding tax statement is one of the most important documents of a Federal income tax return.

"Since most taxpayers were subject to withholding during 1960, attaching of Form W-2 is obviously required to complete the return," All said.

In a joint return, where both husband and wife worked, the W-2's for each must be attached, he said. When either or both parties to a return held more than one job during 1960, all W-2's must be attached, he added.

"Refunds cannot be paid without required W-2's, credit cannot be given for taxes withheld, and failure to include the statement will mean return of the incomplete form to the taxpayer, with the possibility of consequent late filing and interest or other charges being added," All said.

Gop Women Plan Annual Meeting In Springfield

Several hundred Republican women from throughout Illinois are expected to attend their annual spring meeting here in Springfield March 23.

Sponsored by the Illinois Federation of Republican Women Clubs, the program will begin at 8:30 a.m. in the Hotel Leland, according to an announcement by Mrs. J. F. Schaffly, Jr., Alton, Federation president.

The program will open with a breakfast, followed by a Board of Directors Meeting at 10 a.m. A panel meeting at 11 a.m. will feature top Republican leaders from both Houses of the state legislature discussing "What to Expect in State Legislation in 1961?"

The panelists will be state senators Arthur J. Bldwill, River Forest, majority leader; George E. Drach, Springfield, majority whip; and state representatives William E. Pollack, Chicago, minority leader, and Robert T. McLoskey, Monmouth, minority whip.

Secretary of State Charles F. Carpenter and Clerk of the Supreme Court, Mrs. Earle Benjamin Searcy, will address the group at luncheon.

At 2:15 p.m., Operation Abolition, a film of the California student riots against the U. S. House Un-American Activities Committee will be shown. The movie documents the Communist infiltration into our scholastic life.

At 3 p.m. seminars will be held for club presidents and members, with the program concluding at 4:00 p.m.

Reservations for the annual Spring meeting are being handled by Mrs. John G. Ruckel, Downstate Convention Chairman, 1020 South MacArthur Blvd., Springfield.

Special Course Opens New Field for Student Baby Sitters Here

A Cerebral Palsy monitor program will be offered for the first time next month to Lake County high school students, it was announced today by John M. Sacuto, Executive Director of United Cerebral Palsy. The program has been arranged through the cooperation of the Lake County Public Schools.

It consists of a four-week course to train youngsters of high school age in caring for cerebral palsied and other handicapped children in their homes. The course will be conducted on Saturday mornings beginning April 15 at the Libertyville High School, Butler Lake Building, West Park Avenue, Libertyville. It is being coordinated by L. D. Vuillemot, director, Special Education District.

Sacuto stated that there has long been a need for qualified "baby sitters" for handicapped children. He stated that a list of the students who successfully pass the course will be made available to parents of such children.

The course will offer practical training by professional persons in basic care of the handicapped child. Included will be instructions in proper feeding, dressing, communication, and play-time activities. Lectures and demonstrations will be conducted by therapists, special educators, and social workers.

The program will also be of interest to students who are considering entering fields of education related to the handicapped child since it will offer an introduction to persons experienced in these fields. Applications for the course will be available at Lake County High Schools or may be obtained by writing L. D. Vuillemot, Special Education District, Highland School, Libertyville.

Licenses Suspended

Leslie J. Cunningham, Gurnee, and Michael J. Ferrigan, Ingleside, were among 15 Lake County drivers whose licenses were suspended last week for three violations, according to announcement by the office of Charles F. Carpentier, secretary of state.

town of Bristol. The dinner will be at 7:30 p.m. at the Kenosha County Conservation Club building, southwest of Bristol. Guest speaker will be Dr. E. E. Holzer, chairman of the University of Wisconsin Dairy Husbandry department. He will speak and show slides on "Dairying in Russia". Tickets are available from any member of the organization.

Roger Sherman, Willmot, and Chris Hansen, Sturtevant, were re-

lected directors for two-year terms. In the reorganization of the board of directors, the following were re-elected: Sherman, president; George Clausen, R1, Kenosha, vice president; Elmer Barthel, Salem, secretary; and Leroy Dyson, R 2, Burlington, treasurer.

Walter Kirchner, Garden Prairie, Ill., spoke on the "Trends in Dairying", at the barn meeting attended by about 40 dairy men of the area.

Sherman announced that Walter Springer, Salem; Gene Halbach, Bristol; and Henry Richter, Paris, will serve on the Youth Committee. The Twilight Meeting committee will be: Leroy Dyson, Cecil Hill, R1, Kenosha; and Hansen. The Twilight Meeting will be held at the Sherman Farm in July.

The Waldo-Epping farm is owned by James Waldo and operated by Claude Epping.

TO THE AMERICAN PEOPLE

THE HOUR IS LATE

HERE IS THE ANSWER

FOR GOD'S SAKE, WAKE UP!

THE HOUR IS LATE

AMERICA IS AT WAR. A war we are losing. We are under attack by Godless Communism on a world front and Godless materialism on the home front. Selfishness, perversion and division within our borders are the forces through which Communism takes over.

It is an ideological war. We are losing it because we are not fighting it. Republicans and Democrats — it is the same. We move heedless and headless without an ideology against an ideological enemy. America is in danger of losing her life and the Free World its freedom.

Guns, dollars and diplomacy alone are no match for an enemy who has all these but advances because of the super-arm of an ideology.

America needs an ideology. A change of policy is not enough. We need a change of motives and character. A great cleansing and uniting force for the nation.

We judge ourselves by our ideals. Others judge us by the way we live. Unfaithfulness in the home, perversion in high places and low, decadence in the arts, lawless youth, class war, race war, dishonesty — these are becoming the marks of American life. We are all responsible.

These are no weapons with which to win the struggle for the hearts and minds of the millions of the world. And no USA can make them so.

The fact is that millions who would never join the Communist party make its advance inevitable by the way they live.

Chancellor Adenauer of Germany said, "Communism is a false ideology. But it is an ideology and can only be met with moral and spiritual weapons. We are in an ideological battle. Therein lies the decisive task. It may last decades, but it must be won. A nation with an ideology is always on the offensive. A nation without an ideology is self-satisfied and dead."

Because we do not live an ideology we fail to recognize those who do. We were fooled by Mao Tse-tung. We were fooled by Castro. In our blindness we are led by those in our own press and government whose task it is to make Communists look like harmless reformers till they are safely in power.

Our greatest sin has been to cheat the world of the nation-saving truths upon which America was founded. Our destiny is to free the world of tyranny. Instead, we have cashed in our fighting faith for a soft materialism and retreated before the greatest tyranny the world has ever known.

"Men must choose to be governed by God or they condemn themselves to be ruled by tyrants." In William Penn's words lies America's death sentence. Or her one hope.

The hour is late. But not too late to turn to the answer.

There is an answer. It is the moral ideology that rearms the living and thinking of men everywhere. It is Moral Re-Armament.

HERE IS THE ANSWER

Throughout 1960 the ideological force of Moral Re-Armament has been at work in crisis points across the world.

GERMANY

On December 10, 1960, Bonn newspapers announced Chancellor Adenauer's launching of an ideological offensive for Moral Re-Armament in the German Federal Republic.

The newspaper, *Westdeutsche Allgemeine* wrote: "At last we go on the offensive. Moral Re-Armament gives democracy the moral backbone it lacks today."

120,000 people, including 17,000 officers and men of the German NATO force, have seen the films and plays of Moral Re-Armament in recent weeks.

One of these plays, *Hoffnung (Hope)*, was produced and performed by coal miners from the German Ruhr, many of them leading Communists before being won to the ideology of Moral Re-Armament.

Another play, *The Tiger*, was written and acted by Japanese university students, veterans of the Tokyo riots who had found an answer at the Moral Re-Armament World Assembly at Caux, Switzerland, last summer. This play will shortly visit America.

A senior officer of the Ministry of Defense states, "The news of what MRA did for the Army is rolling like waves into the Ministry, breaking on our desks."

JAPAN

Following the riots last June, Prime Minister Kishi said, "But for Moral Re-Armament Japan

would be under Communist control today." This month he writes, "Our greatest need now is to go on the offensive and make the ideology of Moral Re-Armament the policy of our government and of our people. Only then can Japan survive the testing years ahead and play her part in saving Asia from tyranny. Our experience last summer shows that you cannot answer ideological attack without an ideology. At the crucial hour men in labor, youth and politics, trained in Moral Re-Armament, stood up and refused to compromise with evil."

Earlier Gabriel Marcel, eminent French Catholic philosopher, commenting on the development of this force in Japan, wrote, "In Tokyo a few months ago I saw the importance of all that is being achieved. It creates a striking contrast with the sterile talk among professional politicians who seem too often not to grasp the magnitude of what is at stake."

THE CONGO

Congolese leaders invited an MRA force to their nation six weeks before independence. The force included black and white from South Africa, former Mau Mau leaders and white settlers from Kenya, as well as Americans and Europeans. President Kasavubu told them, "You have found the secret of liberation for Africa. All men must think how to give this moral basis to the country."

At the height of the emergency his government asked them to broadcast twice daily on the national radio on the theme, "An Answer to Crisis." These broadcasts are still continuing.

Commanders of UN contingents from 13 nations requested showings of the MRA films and ideological training for their troops. During the past year 140 Congolese leaders have attended Moral Re-Armament Assemblies in America and Switzerland.

"We would have known a more terrible catastrophe but for the films and action of Moral Re-Armament in our country," said Jean Bolikango, Minister of Information and National Defense. "Through Moral Re-Armament we have seen the way to save our country from Communism and set her on a new road."

WEST AFRICA

President Tubman of Liberia, in March 1960, speaking in the Executive Mansion to members of his Cabinet, the Diplomatic Corps and other leaders of his country, said:

"All over the continent and across the world an ideology is rapidly fostering the secret of God-centered unity, creating incorruptible leadership and giving direction to nations that have missed their way. I invite the leaders and people of Africa to join in this supreme task and to give priority to the moral re-arming of our nations. Moral Re-Armament is the ideology of freedom. It is the ideology which Africa needs today."

INDIA

In the elections of February 1960 the non-Communist forces won a significant victory in the state of Kerala which for two years had been under Communist control. Mannath Padmanabhan, leader of the liberation struggle, publicly called this "an MRA-inspired victory." Writing in the *New York Journal-American*, January 3, 1961, he said: "The 15,000,000 people in Kerala — Hindu, Christian and Muslim — stand together with Moral Re-Armament to turn the tide of Communism in Asia and the world."

In the face of the constant threat from Red Chinese troops across the northern border, patriotic Indians have just concluded a National Assembly for Moral Re-Armament "to launch an action adequate to turn back Communism in the country."

FREE CHINA

In the spring of 1960 the National Assembly unanimously voted "to give every assistance to the advancement of Moral Re-Armament in Free China" and invited Moral Re-Armament to send regular task forces to "assist and advise us." It further requested that every year Chinese delegations should take part in MRA Assemblies. The first trainees are now at Caux, Switzerland.

General Ho Ying-chin, wartime premier and commander-in-chief of the Chinese armies, said, "If we had had Moral Re-Armament, we would never have lost the mainland. Only with Moral Re-Armament can we recapture the mainland from Communism."

LATIN AMERICA

At a time when printing houses, radio stations and TV channels in Cuba are turning out Communist propaganda for the hemisphere, Eudocio

Ravines, former Communist and delegate to the Comintern, founder of the Communist Party in Peru, says: "The basic problems of Latin America are not under-development, but corruption and Communism. While our countries welcome economic aid, alone it cannot touch the root problem. Without a moral ideology, it may even aggravate the problem. The best export the United States of America or any nation can send to Latin America is Moral Re-Armament."

Army officers from Argentina and Peru, dockers from Brazil, cabinet ministers and coffee workers, industrialists and student leaders have been among the many hundreds of Latin American delegates to the Moral Re-Armament Assemblies at Mackinac Island, Michigan, and Caux, Switzerland.

In the port of Rio de Janeiro where strikes and lawlessness had created what the papers called "a reign of terror," dockers trained in Moral Re-Armament brought a revolutionary answer. They united the rival unions, they fought corruption, they drastically reduced the turn-around time of ships, they held the first democratic election in the history of the port, defeating the Communist candidates. Now they have told the story in a film, *Men of Brazil*, which is speaking to the world.

ITALY

In the recent municipal elections, the Communist-led coalition gained one million more votes. If this trend continues in the national elections this spring, the country could have a Communist government.

Equipped with plays and films, a Moral Re-Armament force is now in Italy to turn the tide. They were invited by Italian leaders including Prince and Princess Castelbarco Albani, whose family gave a Pope to the Church, and Signora Maria Dosio, leader of the rice workers of Italy, and a Marxist until she returned to her Catholic faith after meeting Moral Re-Armament.

The plays went first to Milan, heart of industrial Italy and to Sesto San Giovanni where 80% vote Communist. After one performance a Communist said: "Unless we get this answer there will be a blood-bath in Italy by spring. This is our one hope."

SWITZERLAND

An MRA force with its plays and films was welcomed in the Catholic monastery and convent schools of eastern Switzerland last autumn. His Grace Dr. Bernardus Kaelin, Abbot Primate of the world Benedictine Order, 1947-59, addressed the MRA World Assembly at Caux. He said, "The ideology of Moral Re-Armament can win all men because its standards are universally valid. It is not a religion, nor a substitute for a religion. It is not a sect. It has four mighty pillars — absolute honesty, purity, unselfishness and love — on which human living must be based. It is a new way designed to forestall a false ideology. May it win the world."

General Henri Guisan, war-time commander-in-chief of the Swiss Army, gave this message to his people in the foreword to the MRA handbook, *Ideology and Co-Existence*, which went to every home in Switzerland and to 87,000,000 homes throughout the Free World: "Ideological neutrality can be dangerous, for refusal to fight for what is right plays the enemy's game. We must not allow these military virtues to be killed in us by greed for profits and an easy life. I long that our whole people should face realistically the forces which confront us today."

AMERICA

In 1960 America produced a supreme weapon in the war of ideas — the MRA picture in Technicolor, *The Crowning Experience*. It poses the choice to all men everywhere of Moral Re-Armament or Communism. The story was inspired by the life of the great educator Dr. Mary McLeod Bethune, born of slave parents, who rose to be adviser to Presidents. Stars of the film are Muriel Smith, Broadway's original "Carmen Jones," and Tennessee-born Ann Buckles of the New York cast of *Pajama Game*.

The Crowning Experience had its world premiere on Broadway last October. Stars from Hollywood, 300 UN delegates representing 73 countries, and leaders from every walk of New York life were among the distinguished audience who packed the theater.

In its Academy Award qualifying run in Hollywood *The Crowning Experience* premiere drew the greatest star-studded audience for many seasons. In a front page story *The Hollywood Reporter* stated that the film topped the week's box office business in Los Angeles.

The Los Angeles Herald and Express in an

editorial said, "A vivid dramatization of the struggle of free people everywhere to roll back the advance of Communism." Of Muriel Smith, the drama critic wrote, "She quite possibly sang and acted her way into an Oscar nomination."

The South African National Board of Censors has unanimously passed *The Crowning Experience* for unlimited distribution.

In the prologue of the film, Joel McCrea, one of Hollywood's most distinguished stars, says, "The future of the world depends on millions making the right choice. Many do not know the real America. But *The Crowning Experience* is the kind of picture the world is waiting to see, because it portrays the true America to which the whole world can and will respond."

To produce further such films, Moral Re-Armament has completed a television film studio on Mackinac Island, Michigan. *Broadcasting* describes it as "One of the most complete television plants in the nation . . . to put free nations on the offensive in the world-wide battle against Communism."

FOR GOD'S SAKE, WAKE UP!

The evidence is inescapable. We need now to act. When will America begin to fight the ideological war and make Moral Re-Armament her national policy?

Washington, clean, straight and God-directed, would be an invincible force leading mankind to its destiny.

The urgent need is for patriots — Democrat and Republican, labor and management, black and white, young and old — who will put right what is wrong in their own lives and in the life of the nation. Such men will take on the task of arming America with her true ideology.

It means absolute standards of honesty, purity, unselfishness and love, applied drastically, personally and nationally. It means men accepting the guidance of God. Definite, accurate, adequate information can come from the mind of God to the minds of men. It comes to those who listen and obey. It is the new dimension of statesmanship.

Dr. Frank Buchman, born in Pennsylvania, initiator of Moral Re-Armament, has done what no other American has done. He has not only seen the need for an ideology but has given a lifetime to raise up a world force of men and women trained and committed to fight and win the ideological war.

The governments of France, Germany, Greece, Japan, Free China, the Philippines, Thailand and Iran have decorated him with their nation's highest honors. In recent months leaders from 16 African nations have urged him to come to their countries before it is too late. In America 97 Senators and Congressmen said in a message to him, "You are giving a uniting idea to nations which can turn the ideological tide in the world today."

Speaking to a World Assembly for the Moral Re-Armament of the Nations at Mackinac Island, Michigan, Dr. Buchman said:

"My deep personal wish is to have every American free under the direction of God to fight for America; so to fight that America really be free, free from the tyranny of sin, under God's direction, the unseen but ever-present Power. I wish this no less deeply for everyone in every nation."

"I don't want our sons, especially our fighting sons, to go about without an answer. It simply enslaves them. It is not good enough. It will drive them to the same philosophy that rules our opponents. We shall never create an inspired democracy that way. Men must learn to have a faith that will create the right revolution. If we can spread this revolution fast enough we can save America and the world. Unless we have this revolution there will be a revolution of chaos."

"It needs this stronger dose. Sin leaves us with such a dull, heavy thud. 'The blood of Jesus Christ His Son cleanseth us from all sin.' That is the discovery everyone is looking for. That is the answer."

"Then you will have a wonderful example that the whole world will want to follow. You will have an America to which the wise and honest can repair. And that is what the world expects today of America. You will have a battler of freedom, and that is what America wants. You will have a democracy that is really inspired."

"Then our young men and our old men will fight as Lincoln fought of old. Our young men will know what to fight for and our wars will be won. And we shall be at peace with all men and the whole world."

"The hour is late. Here is the answer. For God's sake, wake up!"

This page, like all the action of Moral Re-Armament, is financed by the sacrificial gifts of men and women from all walks of life, determined to bring this answer to America and the world. Welcome Back Theme of Legion On 42d Birthday

Like a family reunion, the American Legion Birthday Celebration this year has been planned as a time to welcome back all Legionnaires of the past.

Antioch Post officials are preparing lists of former members, who will be contacted and invited to attend a "Welcome Back" Party during the third week of March. The

purpose is to give these former members a warm welcome and make them feel at home; also to re-acquaint them with the many programs and community services being rendered by the local post.

American people, particularly veterans, have been on the move a great deal during the past ten or fifteen years. Thousands who were at one time members of The American Legion in their former communities have moved and have little touch with the Legion.

The national organization of The American Legion has grown from a small band of A.E.F. servicemen who gathered in Paris, France, on March

Eligibility dates are April 6, 1917 to Nov. 11, 1918 (World War I), Dec. 7, 1941 to Sept. 2, 1945 (World War II), June 25, 1950 to July 27, 1953 (Korean Action).

"We are extending a warm invitation to every eligible veteran in Illinois to come in, during this 42nd Birthday Celebration, and get acquainted with the local American Legion Post and its programs in his community," said Clarence E. Brooks, State Commander of the Illinois American Legion.

GEHL SELF-UNLOADER

WITH FINGERTIP CONTROLS

- 1 Gehl clutch and speed controls are handy... at your fingertips. Cross conveyor runs when you start PTO. Beaters and box bed chains work together at a flip of the clutch. Change to any of three unloading speeds or neutral without using clutch.
- 2 Positive front-roller chain drive sends a high-speed flow of forage or grain from box to blower. No slipping of the wide, ribbed rubber cross conveyor... ton-a-minute unloading.
- 3 Gehl metal parts are of welded structural steel. Boxes are of fine-grain, specially treated, matched lumber. They're available with 2, 4 or 6-ft. sides. Standard length is 16 ft. Can be built shorter or longer to fit your needs.

National Peace Essay Contest Open to Seniors

High school seniors were recently invited to enter the Eleventh National Lawrence S. Mayers Memorial Peace Essay Contest. Top prize in the contest is a \$1,000 U.S. Savings Bond. Nine second prizes of \$100 U.S. Savings Bonds, each and 15 third-prize Peace Medallions will also be awarded.

To enter the contest, high school seniors must write an essay of not more than 2,000 words on one of two topics. The first topic: "Describe what you consider to be the major facets of the national purpose that should be adopted which would improve the human community, halt the arms race and inspire nations to work for permanent peace." is based on a statement by C. L. Sulzberger.

The second topic: "Describe some 'great purposes' which you feel exist and to which Americans should be dedicated themselves. Then describe how each citizen as an individual could contribute to the fulfillment of these great purposes." is based on a statement by Walter Lippmann.

First prize presentations were made in 1959 by President John F. Kennedy and in 1960 by Mrs. Eleanor Roosevelt. Each year a panel of distinguished citizens is selected to judge the winning essays and last year consisted of Thomas K. Finletter, former Secretary of the Air Force; the Honorable Kenneth B. Keating, Senator from New York; Inez Robb, syndicated columnist; and Arthur K. Watsch, president of IBM World Trade Corporation.

Sponsor of the essay contest, the Lawrence S. Mayers Fund, Inc. is a non-profit organization dedicated to the search for a permanent world peace based on justice and order. Entries must be postmarked not later than May 1, 1961 and should be mailed to Lawrence S. Mayers Essay Contest, 750 Fifth Ave., New York 19, N. Y.

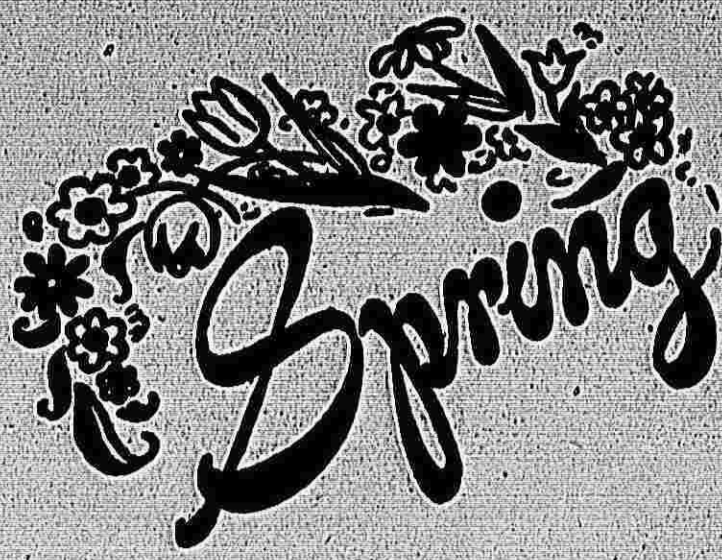

High Dairy Production Reported for 2 Farms

Ravenglen Farms, Antioch, has 45 completed production records averaging 14,104 pounds of milk and 537 pounds of butterfat, according to lactation average reports by the Holstein-Friesian Association of America.

Lactation averages are calculated on two milkings a day over 305 days, and weighing and testing was done under supervision of University of Illinois, as part of the official herd testing programs of the national group.

High production was also announced by the Ayrshire Breeders Association for an animal of Spinney-Run Farm, Libertyville. The cow, Spinney Run Fair Alice Second, recently completed an official record of 10,349 pounds of milk and 465 pounds of butterfat during twice daily milkings over 305 days. This record is more than 16 quarts of milk per day average.

Christ Scientist Leader To Discuss Scriptures

How the power of God set forth in the Bible brings peace and harmony will be the topic of a lecture on Christian Science to be given Monday, March 20, by Florence Middaugh of Los Angeles, Calif.

Miss Middaugh will speak in the Central Grade School auditorium, Paddock Street at McHenry Avenue, Crystal Lake at 8 p.m. under the auspices of First Church of Christ, Scientist, Crystal Lake. Her subject will be "Christian Science: The Science of Pure Christianity." The lecture is free and members have invited the public to attend.

A native of Colorado, Miss Middaugh is currently on a nationwide speaking tour as a member of The Christian Science Board of Lectureship.

During a natural disaster the American Red Cross lends a helping hand to those in need. During the spring floods in the Libertyville, Gurnee, and Fox Lake areas, the na-

tional organization gave the Lake County chapter \$7,405 to provide assistance (food, clothing, shelter, and medical care) to those who were unable to help themselves.
